

PROTECT, COLLECT, CLEAN GI ACCESSORIES

Micro-Tech Bite Blocks offer comfort and protection during upper endoscopic procedures. Available in 38Fr, 60Fr and 60Plus sizes, with or without dental rim.

Polyp Retrieval Traps offer improved efficiency, reduced handling and cost savings. The unique Quad trap features removable collection trays and a secondary filter for peace of mind. The In-line suction polyp trap provides simple in-line installation and easy removal of polyp specimens.

Micro-Tech's Cleaning Brushes combine performance and compliance. Available in combination kits, the brush range features 6/10mm nylon brush heads designed for effective, gentle cleaning.
