

PREMIUM MATERIAL
AND ENHANCED DESIGN
**BREATHE-EZ
BITE BLOCK**

Micro-Tech Bite Blocks offer comfort and protection during upper endoscopic procedures. The new Breathe-EZ™ Bite Block was designed with a special, softer bite plate that helps to keep the lower jaw forward and the airway open.

- Unique design that may assist in improving oxygenation during endoscopic procedures
- Available in rigid hook and loop strap and adjustable elastic strap
- Softer overlay that helps protect patient's teeth
